Thank You 2011 Day of Caring Sponsors

While this year's Day of Caring efforts are in the infancy stage, sponsorship has grown by leaps-and-bounds. A big thank you to the following 2011 Day of Caring Sponsors:

Citizens Bank & Trust
Mitchell Grocery
Parker
Sand Mountain Toyota
Spicer & Hammond Mortgage, LLC
Syncro Corporation
Total Dental Care
WQSB

These sponsors provide free t-shirts and breakfast tickets to volunteers who lend their time, expertise and muscle to advance the common good throughout our community.

Last year, more than 300 volunteers from 36 companies and organization throughout Marshall County donated their time, a multitude of supplies, and an abundance of caring power to complete 72 projects. In addition, 15 companies held Casual Day and purchased 1,500 Day of Caring Superhero shirts to show their support for this special day. The dollar value of their work was estimated at more than \$27,500. But the value of building a community goes beyond monetary measure.

This year's Day of Caring will be held Tuesday, September 13
